platoon and squad-leaders' course at the districts' and battalions' seats (squad-leaders' courses have been started only if the respective district did not have enough NCO.-s at its command). Cooks'-course at the battalion's seat, groom's course at Lajosmizse, drivers' course in Budapest at the auto-technical training institute.

The supplementary training of the officers and NCO.-s was continuous at the seats of the districts resp. at Headquarters.

Headquarters exercised the promotion of officers on the basis of performance of duties and the progress achieved at these supplementary courses.
